

**Now that you are a member...**

**Here are some great ways to promote and market your business**

### **Networking Events**

Networking Events take place the second Tuesday of each month and alternate between Networking After 5 and Networking Breakfast formats. There are six Networking After 5 dates and five Networking Breakfasts each year. Attendance is not mandatory, however it is encouraged as a benefit to create awareness for your business. The cost to attend is only \$15.00, plus HST (member price) and \$25.00 plus HST for 'future-members'.

For your registration, you receive:

- Shared display table for your marketing materials
- A chance for a 30 second promotion on the mic (maximum 10 member speakers selected via business card draw)
- Contact list of attendees e-mailed day after event
- Hors d'oeuvres/cash bar for After 5 events; hot meal for Breakfast events

At your first networking event, as a new member, you are assured of 30 seconds at the mic to promote your business. We recommend bringing lots of business cards for networking.
